All Accredited Site Supervisors

Dear Sir/Madam

Course on Building Control Regulations for Site Supervisors

We wish to inform all newly accredited Site Supervisors (RE/RTO) with effective date from *1 January 2012*, are required to attend the Course on Building Control Regulations for Site Supervisors. You are required to complete the course within twelve (12) months from the effective date of your accreditation certificate.

The half day course is **compulsory** and should be completed on time in order to prepare for the renewal of your accreditation certificate the following year.

Introduction

This course is jointly organised by BCA Academy and Joint Accreditation Committee (JAC) of The Institution of Engineers, Singapore (IES) and Association of Consulting Engineers, Singapore (ACES), which accredits Qualified Site Supervisors such as Resident Engineers (RE) and Resident Technical Officers (RTO). This course is aimed at educating newly accredited site supervisors on Singapore's legal framework for building construction and building control regulation requirements.

Details on the course can be located at website link <http://www.bcaa.edu.sg/>

Yours sincerely

Er. Chong Kee Sen
The Institution of Engineers,
Singapore

Er. Henry Lim
Association of Consulting
Engineers, Singapore
