Date: 10 September 2014

All Accredited Site Supervisors (Resident Engineer & Resident Technical Officer)

Dear Resident Engineer/Resident Technical Officer

Supervision Training Unit (STU) requirement (Amendment) Update

This circular supersedes the earlier circular dated 7 Aug 2014. We would like to inform RE/RTOs that the Joint Accreditation Committee (JAC), C&S will increase the Supervision Training Unit (STU) requirement to 8 STU, i.e. comprising of 6 STU (structural) for supervision in structural works training and 2 STU (safety) for safety training.

2. Therefore, you will be required to complete a minimum of 8 STU, whereby, the training will include 6 STU (structural) for supervision in structural works training and 2 STU (safety) for construction site safety training, with effect from calendar year 2016 for the renewal of RE/RTO accreditation.

3. For more information on the STU requirements, please refer to website link http://www.ies.org.sg/professional/registry/rerto/STU_Requirement.pdf

Thank you.
